Weight, kg/lbs	7 / 15.4

### MULTI-CURRENCY COUNT AND DETECTION

- Count multiple currencies including AED, USD, EUR, etc.
- Accurate and reliable bill counting, regardless of currency condition
- Change currency settings right at the push of a button, allowing quick counts of multiple currencies
- Counterfeit detection can be easily switched on/off

### CONSTANT COUNT QUALITY

- Heavy-duty technology and high quality construction assure reliable performance
- Effective and dependable motor ensures fast counting without sacrificing accuracy or crucial counterfeit detection capabilities
- Four speed settings ensure smooth counting of both worn and new bills
- Waterproof and anti-dust panel prevents moisture build-up and button sticks

### SINGLE VALUE COUNT MODE

- Displays total number and total value of selected currency denominations
- Track counts of different denominations and calculate a grand total by using ValuCount and add mode
- Calculate the total value and the total number of all bills counted per denomination

### NEXT-LEVEL COMMUNICATION CAPABILITIES

- Full text messages on LCD display guide you through error remedies
- Choose your screen brightness and keypad indicator preferences at the push of a button
- One-Eye-Open™ sleep mode saves energy when not in use
